

CSM Software receives “Best Reseller for ENOVIA Sales Initiative” award by Dassault Systemes

Bangalore, April 03, 2009: CSM Software received the “**Best Reseller for ENOVIA Sales Initiative**” under the **Achievers Award** category, by Dassault Systemes, the worldwide PLM leader. The award recognizes CSM Software for its contribution in successfully deploying the ENOVIA solution at multiple customer places of varied industry backgrounds. The award was presented by Mr. Bernard Charles - President and Chief Executive Officer, Dassault Systemes during the recent DASSAULT SYSTEMES VAR meet held in Mumbai.

Committed to delivering excellence, CSM's PLM team helps customers to implement, and operate the ENOVIA solution as per their business needs. CSM's PLM specialists leverage their extensive technical knowledge, implementation experience and industry expertise to implement ENOVIA solutions to deliver desired business benefits to the customers.
